

Product Group MFM

Machine feet made of stainless steel with rubber base

Standard Colours

- black

Material

- Thread: AISI 304 (A2)
- Rubber: NBR 72 Shore

Product information

- The machine foot is characterized by a wide range of products, which allows great freedom in choosing the right model.
- The rounded and hygienic design of this type enables easy and quick cleaning.
- The embedded rubber meets the USDA standard for rubber products.
- The machine foot can compensate for uneven floors up to 5°.
- The load capacity of the screw (buckling length!) may be less than indicated in the table.
